OFFICE OF THE DEPUTY COMMISSIONER

Dated, Bangalore 13-11-..... *1946.*

From

The Deputy Commissioner
Bangalore District, Bangalore

To

The Special Land Acquisition Officer,
Bangalore City Municipality

Sir,

With reference to your letter No.S.L.A.24/45-46 dated 7-8-46 I have the honour to state as follows:-

1) When the land was proposed to be acquired, the valuation has been made at Re.1/- per Sq.Yard Even in the judgement of the High Court the valuation is Re.1/- per Sq.Yd. The Acquisition Officer has valued the land at Rs.11/- per Sq.Yd.. As against the original valuation of Rs.58,929/- the Acquisition Officer has proposed to award 6,49,364-9-0. This appears to be an abnormal valuation.

2) The Land Acquisition Officer has awarded to the 7 purchasers of land, the rate at which they have purchased the land. It is stated that the Municipal Council has approved the layout on 31-3-44. Whether intimation of this layout was given to Mr. Adinarayana Setty by an endorsement may be verified. If such an endorsement has been given, whether the sites sold to the 7 persons fit into the sites formed in the layout may be examined. If any of the portions sold to these 7 persons come within the roads in the layout such portions will have to be excluded and the awards passed only for site portions and not for roads, since the Municipality will not permit construction on the roads and since it was the duty of the owner not to sell road portions as building sites. If the purchasers have bought road portions, they have done so at their risk.

3 (a) After deducting the extent disposed of by Adinarayana Setty, the Land Acquisition Officer has awarde

will not allow construction on roads. When a private lay-is sanctioned by the Municipality it is a condition precede that the party should not claim any compensation for roads it should leave the roads open and free to the Municipality. In this view no compensation is payable to the road portions.

d) Excluding the road portion cannot be paid at Rs.11/- per Sq.yard for the remaining extent when there was a liability on the owner to form roads and drains? The probable cost of formation of such roads and drains should be assessed and should be deducted and the balance amount which represents the actual profit which the owner would have made should be awarded.

4) It is ascertained that after the Trust Board Act came into effect a notice was served on the owner by the Trust Board or Government not to sell sites and ~~xxx~~ that Mr.Appalya Naidu got notices served on the owner and on the binders on a day when the owner tried to dispose of the sites in auction. These notices may be verified and the effect of these notices on the award to be passed may be examined.

5) Mr.Appalya Naidu has referred in his petition to a Supplimentar Gazette Notification dated 26-5-45 prohibiting private layout, ~~sanctioned by the Municipality~~ and the rights of the owner in the lay-out sanctioned by the Municipality may be examined, in view of this Notification

6) It is ascertained that the owner had applied to the Municipality that estimates may be got prepared for the formation of roads and drains and that the Municipality ~~xx~~ did not accede to his request since the land was going to be acquired. How much the owner has to pay on those estimates and why that amount should not be deducted in the award to be passed at Rs.11/- per Square yard should be examined.

The connected records are herewith returned for submitting revised draft award within 15 days taking into consideration the matters related above. The records relating to the matters noted above and also other records if any relating this case may be obtained from the Municipality and ser

---

I have the honour to enclose herewith the records relating to the acquisition of Survey No.19,Jakkasandra village,Bangalore North Taluk, belonging to Mr.T.Adinarayana Setty and others Notified for acquisition under Government Order No.M.11054 Med 80-45-25 dated 16-4-1946 for development of the Appaiah Naidu Maternity Home at Malleswaram into a Maternity Hospital. As per above Government Order, I have been authorised to take order for the acquisition of this propesty. Since the award amount exceeds Rs.10,000/- in this case, I submit the draft award and the records for favour of approval in accordance with the Govern ment Order No.R.1459-518/L.R.93-35-2 dated 6th Sept.1935.

In this case, I beg to state further, that the conversion of the entire S.No.19 was sanctioned by the Deputy Commissioner, Bangalore, in his order No.C5.4660/38-39 dated 20th October 1938 (copy enclosed in the file). The Amildar,Bangalore North taluk in his report No.PR.53/46-47 dated 3-8-1946 has stated that the land is a non-agricultural land as seen by the Index of lands in his office. The Municipal Council at their meeting held on 31-3-1944 also approved the Lay-out of Mr.T.Adinarayana Setty. After the Lay-out was approved by the Municipal Council, the party had sold few sites to private persons through Registered sale deeds, just before the publication of the preliminary Notification. As such, I have treated the entire area as sites and not as an agricultural land.

In the cases where the sites have been sold, I have adopted the valuation of the sale deed in the draft award on the basis of the decrees passed by the Sub Judge,Bangalore very recently in some appeal cases i.e.,L.A.Mis114/&148 of 45-46 of acquisitions in Doddabikhana Village for Kalasipalayam lay-out.

With regard to remaining sites in possession of Mr.T.Adinarayana Setty, I have adopted Rs.11/- per Sq.Yard being the average valuation of 6 sites sold by him under Registered sale Deeds.

Further, I beg to state that in case if my award is approved, the Secretary to Government,Education Department,Bangalore may

may kindly be addressed to arrange to credit the award amount to Municipal Funds to facilitate this office for issuing award notices.

The award will be made final, after your approval and after getting the amount deposited to Municipal Funds.

Sub: Acquisition of S.No.19 of Jakkasandra village, Bangalore North Taluk for development of Appaiah Naidu Maternity Home at Malleswaram Bangalore City into a Maternity Hospital.

...

In continuation of this office communication of even No. dated 5-11-46 on the above subject, I have the honour to state that the Special Land Acquisition Officer, Bangalore City Municipality has submitted a draft of the proposed award for Rs.1,78,066-6-4. I have approved the award.

A copy of the Special Land Acquisition Officer's report No.SLA 24/45-4 dated 8-2-47 is sent herewith for kind perusal. As requested therein the cost of acquisition may kindly be caused to be placed at the disposal of the Land Acquisition Officer.

I have the honor to be,

Copy of letter referred to overleaf.

With reference to your letter No.A3. 947/46-47 dated 3-11-46 on the above subject, I have the honor to submit herewith the revised draft award prepared as per your instructions for your kind approval.

It is seen from records that the municipality had communicated the approval of the Layout by the Municipal Council to the Paty (T.Adinarayya Setti) on 8-5-1944 and the party has executed a document agreeing to pay the layout cost etc.. This was long before the Publicationof the Preliminayary Notification. The Trust Board Act had come into force long after the sanction of the layout by the Municipal Council. As instructed by you I have valued the land as a layout and have effected the necessary deductions in the award amount. The total compensation amount now awarded comes to Rs.1,78,066-6-4 for the total extent of 51, 243 Sq.yards The average rate works up to between Rs.3 and 3-8-0 per sq.yd. which I think it to be reasonable considering the present iarease of land value in the City limits. The Draft award may be approved and necy. funds may be kindly placed at my disposal.

The delay in submission of this Draft award is due to the fact that I received the report called for from the Municipal Executive Engineer only yesterday.
